

Team Management and Membership with Sports Connect and Game Changer Team Manager

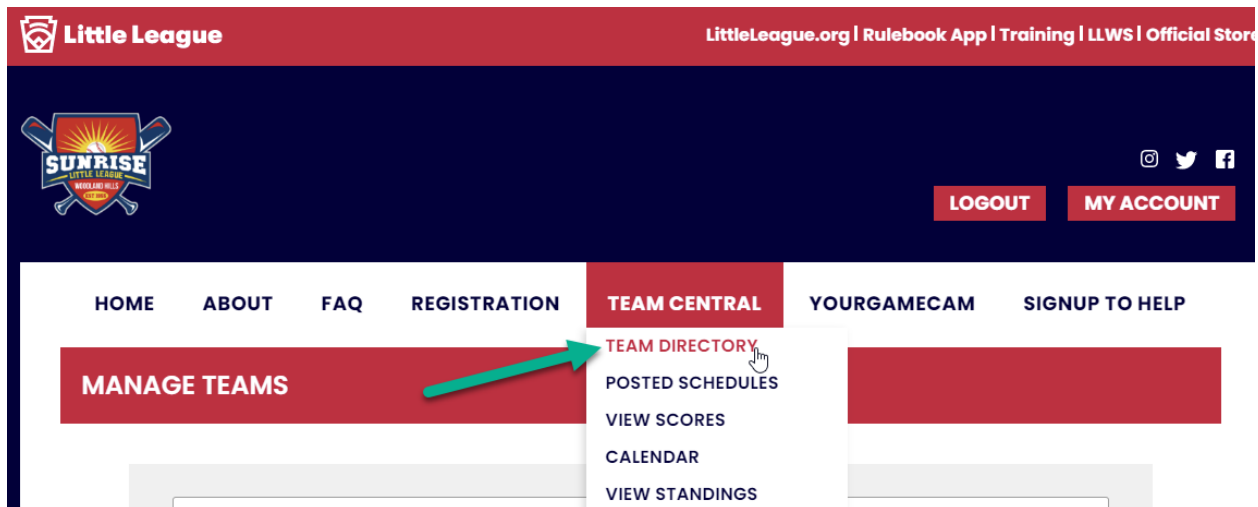

Our new site and league management are running on Sports Connect. The mobile app that ties into Sports Connect is called Team Manager and is part of the Game Changer product line.

Since this is new to the league we appreciate everyone's patience and understanding as we navigate the learning curve.

For Everyone

Website

Everyone can log in to <https://www.sunrisebaseball.com> and view your team under Team Central. You must be logged in.

Mobile App

The mobile app we will use is called Game Changer Team Manager.

It has many features such as messaging, scoring, health tracker, live streaming, RSVP for games and practices.

It can be downloaded from the App Store or Play Store or their website [GameChanger Team Manager \(gc.com\)](https://gamechanger.teammanager(gc.com))

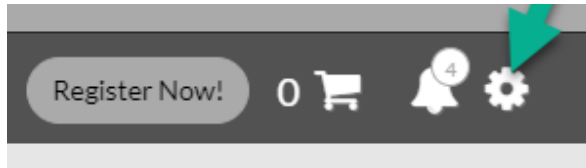

To configure:

1. Log in to the app with your Sunrise login info, the same one you use to log in to the website.
 - a. You might have to create a separate Game Changer account and link it to your Sports Connect account. This part is still a little fuzzy.
2. Click Teams, and the + icon in the upper right and then select the **Import Sports Connect**

Troubleshooting – some troubleshooting steps might include

1. Making sure you have an account in Sports Connect or are an Additional User on an account.

2. Double-check your username in Sports Connect by logging in to <https://www.sunrisebaseball.com> and clicking the cogwheel on your account page.

Additional Items for Managers

Team Central

In Team Central you can edit your player's profiles including adding numbers, positions, as well as obtaining a roster for your team.

You can also schedule practices on the website and they will sync to the GC app.

Team Manager

You can choose to add up to 3 additional Staff. These people can keep score and do some other administrative functions in the mobile app.
